## Penalty for Late Payments

Indiana State Statues require that a penalty provision for late payment of utility bills be enforced in a fair and non-discriminatory manner. The Romney Regional Sewer District will enforce these provisions without exception. If sewer payments are not received by 6:00pm on the 15<sup>th</sup> of the month, there will be a late fee added to the account. The penalty / late fee is 10% of the sewer charge.

Your account is not considered paid until the payment is received in our office. We are not responsible for the U.S. Mail. Failure to receive payment does not relieve the customer of the late penalty.

Sewer liens will be filed on accounts more than 90 days past due.

## Bad Check Charges

When a check is returned unpaid by the bank for any reason, the following will occur:

- The customer will be assessed a bad check charge (NSF fee) of \$30.00.
- The customer shall pay, by money order, the amount of the returned check, plus the corresponding returned check fee.
- After two returned checks in any 12-month period, the customer shall pay all current and future payments by money order or online by Credit / Debit card.
